

Project: “Providing efficient, accessible, and modern educational infrastructure for the sustainable development of the Municipality of Gabrovo.”

Beneficiary: Municipality of Gabrovo

Contract number: BG161P0001/4.1-01/2007/006

The project has been implemented within Operation 1.1 (*Social infrastructure*), Priority 1 “*Sustainable and Integrated Urban Development*” of Operational Program “*Regional Development*” 2007-2013.

Contract number BG161P0001/4.1-01/2007/006 for providing efficient, accessible, and modern educational infrastructure for the sustainable development of the Municipality of Gabrovo was signed between the Municipality of Gabrovo and the Managing Authority of Operational Program “*Regional Development*” on the 16th of July, 2008. The project should be completed within 19 months.

The total costs of the project are 5 361 319, 40 BGN.

Money will be invested in “I. Giuzelev” High School of Mathematics, “Raicho Karolev” High School, and “Radost” Full-day Kindergarten, which are all in the town of Gabrovo.

Aims of the Project:

- Improving the energy efficiency of the buildings.
- Modernizing the educational infrastructure of the two schools and the full-day kindergarten.
- Providing access for disadvantaged people in the buildings of the two schools.

Achieved results:

- Increased energy efficiency.
- Improved educational infrastructure of the two schools and the day kindergarten.
- Provision of access to the buildings of the two schools for disadvantaged people.
